# Want to get paid **\$5,000** to work on your own business?

The Summer 2016 Humanities and Sciences Pre-Accelerator is a 12-week program, exclusive to the College of Humanities and Sciences students, that provides guidance, accountability, and investor connections to student startups. Businesses from all stages will be considered, from the idea phase through revenue generation. Accepted students will be awarded \$5000, and will walk away with the skills needed to take their businesses to the next level. Please contact the VCU Innovation Gateway at [spottvl@vcu.edu](mailto:spottvl@vcu.edu) for more information.
