Final Home

Sailing through the open seas
in dragons made of Oak trees
I take the time
to think of my younger days
where victorys were won
not by fear,

But by blood and pain
when berserkers roamed the plains
and shield and axe spread thy name
through these times we move on
seeking Valhalla
as our
final home

The Cheshire Cat visits Alpha Centauri

I read by the light
of a television
I do yoga by the side
of a toilet
I would like to take a bath
but I can not
And if where I am
I could
I would not
The cracks are wide and deep
we fall in without a peep

HAPPY THOUGHT by Kyle H.

Watching raindrop patterns on my window
I'm thinking of friends far away
I'm hoping a letter comes tonight
The perfect end to my day

If you sing me a song
I'll tell you my happy thought
If you tell me a story
I will share all the wishes I've caught

If you bring me riddles to solve
You'll find me up to the task
That you show me something new
is all that I ask

I have learned to catch
the laughter in all my tears
to see all the foolishness
of all my greatest fears

I've learned Love only comes
to hearts that believe
and Love gives most
to those with the greatest need

I'll show you my world
if you can befriend a stray
I promise you'll like it here
There are new wonders every day

So sing me a song
my happy thoughts are yours
Listen and you'll hear them whisper
as quiet as a lion roars

DISCHORD by Kyle H.

In a Multiverse of harmonious vibrations
I am a dischord

Displaced
Out of tune
Everything has its place
a tone that is pure
What of mine?

Do I belong?
Should I be silenced?
Or am I merely
the Chaos
that makes

this Verse
perfect?

All of my life

All of my life I was a afraid
afraid to try afraid to love
afraid to dissapoint. My only salace was no fear
No fear of death but that wasn't enough
My heart was strong My mind to weak.
Thoughts so troubling thoughts of failing
Thoughts of dissapointing dissapointing anyone
lissapointing everyone dissapointing loved ones.
iding behind an ego part me part everyone else
I was lost; All of my life
I was lost; In failure I found success
Failure I found love, Failure I
found exceptance. I am no longer afraid
afraid to try afraid to love
failure I found exceptace I am no
onger afraid afraid to try afraid to love
afraid to dissapoint I am no longer lost
ore through failure I was found
found succeeding found loving
found by un-conditional love
All of my life I never knew
Those who love me Love me now
Love me always
Love me forever
For the rest of my life
I will not be a afraid
afraid to be me.

Andrew

Raid

The brush was thick,
The sky a roar
Our eyes were heavy
Our backs were sore
Steady clinging
Ready for war
Soon we start
Till lifes no more
Only singing
do we hear
As the berserker
Begins to apear
Now we begin my brother
I shall defend with shields
Held high we move on
To differnt lands
To claim

Fast Times

Fast times
quickly lead ta
Hard times
Tha flash and cash
Whipin' drop holdin down da block
Smashin' ass blazin' gas
This shit dont last
Busted down and out
Thrown in a 12 round bout
aint no one got yo back
and they dont pick up the jack
Just like bail they aint no mail
aint no love
Just these niggas
keep yo head up
slow down
ittle niggas

I love the bitches
